Community of Schools Disco

Donations needed!

Our Community of Schools Disco is soon approaching. We are kindly asking parents/carers to donate any old or unwanted CDs or records to use as decorations.

If you have any that you can donate to our school, please send them in with your child or drop them into the office.

We are also seeking to borrow some fairy lights, lanterns or solar panel lights that we could use at the entrance of the disco.

Parent helpers are also invited to come in and help us with making decorations etc. This is a community event and any ideas or suggestions are also welcome!

Thanking you!

Crystal Creek Talent Quest

Don’t forget your smile!
P AND C MANNA BEAR DRIVE

Thank you to all the families who supported the Manna Bear drive. I hope your kids are enjoying their Manna Bears and feeling the benefits as well. For any families who missed out, or who would like to buy more, they will still be available until the end of term and every purchase will still be raising money for the school. They would make great Christmas gifts and provide a healthy alternative for Christmas gatherings over the festive season.

If your children have been sitting up straight in assembly, there’s a big chance they would have tried a Manna Bear or two! Here’s the form.

Yes! I would like to purchase ____
MannaBears @ $35 each. Total $ ____.

P&C END OF YEAR MORNING TEA and AGM

Friday 12th December, in the library after Presentation Day.

Please come along and share an end of year morning tea gathering with the P&C.

We will hold our Annual General Meeting at the same time as we share a cuppa and some cake. The positions for next year's P&C committee will be open for nominations and voting will take place.

All positions will be declared open - so if you are wanting to join please do come along and put your hand up.

P&C will NEED a new secretary for next year's committee - this is an easy role that mainly includes note taking at meetings and general correspondence. Current President (Ellie) and Treasurer (Fiona) are happy to fill the roles again next year - if voted in. Unfortunately our Canteen Manager (Danielle) will no longer be able to continue running the canteen next year, and our fill-in Canteen Manager (Bec) will be taking on the big job of Fireworks Co-Ordinator.

This means that P&C are seeking a new Canteen Manager for next year. This is an excellent role that brings a lot to our school in many aspects - the canteen is a profitable operation that raises well-received funds; the children have access to healthy freshly-prepared foods (and us parents get a day off lunch-making!), and the SRC learns fundamental skills running their canteen day. (Without a canteen manager there will be no SRC canteen days either). If you are interested in this role, Bec is more than happy to pass on her knowledge. Perhaps you and another parent could run it together? If we have no canteen manager then the canteen will have to close next year.

Any small part you can play in the P&C is highly valued, and we do hope to see some fresh faces to continue the great work our P&C does in our small school. It costs $1 to become a voting member, and have an active say in how the fundraising dollars are spent in your child's school!

Please fill in the form below and hand in at the office to let us know day / time best suits you for future P&C meetings. We currently hold them on Monday 3pm, but are open to what suits the majority of active members.

Hope to see you at our AGM Morning Tea, P&C Committee.

Please hand into the office with your preference

P&C MEETING MINUTES 24TH NOVEMBER 2014

Meeting Opened: 3.10pm

Attendees: Brad, Ellie, Bec, Fiona and Sharelle

Apologies: Vanessa and Lynette

Principal’s Report:
- There was a suggestion that the school should consider solar panels, this would be great but would bring no financial benefit to the school and the children.
- Various renovations have happened and are planned for the near future in the school grounds including; new section of fence, floor covering in art room, kitchen in hall, and girls’ toilets (planned to be complete by March 2015).
- School camp out was a great success, Brad would like to continue this event in future years and consider including other schools.
- Currently there are 11 students enrolled for Kindy in 2015.
- The school has received RAM funding from the Govt. Brad will be discussing with staff ideas for best use of these funds. Is to be put towards something that will have a substantial impact on the students’ education.
- Crystal Creek now has a Moodle Server, like that used by Wollumbin High School. This will be a great tool used to share information between teachers, students and other small schools in our region.

Treasurer’s Report:
- Deposits from Canteen are the only activity since last meeting, plus a $10 deposit from the sale of Manna Bears. This is to be an ongoing P&C item in the newsletter.
- Currently $8000 in the second account and approx. $4500 in the other. All agreed to transfer $2000 to increase the balance to $10000 in the second account.

General Business:
- Homemade ice blocks being sold in the canteen have been successful. Just need to be sure that they are sealed properly for health and safety regulations.
- New safe has been installed into P&C office.
- A Zebra Day Fundraiser to be held on Tuesday 9th December to support Mya Hurst, ex-student of Crystal Creek. Gold Coin donation, students to wear black and white, snow cones to be sold. All proceeds to go to Mya.
- Will not be doing the Holiday hamper raffle this year.
- P&C AGM will be held directly after the presentation morning on 12th December, including a morning tea for those who attend. Chance to invite potential new members. P&C will need to fill the position of Secretary, Canteen Convenor and Vice President for next year. Bec Hyde will be doing the huge task of Fireworks.
- Kids in the Kitchen requires some replacement equipment, all agree to use canteen funds. Spoke about a possible the purchase of a few small portable oven/cooktops.

Meeting Closed: 4pm
