WHY STUDENTS NEED BREAKFAST

Breakfast is the most important meal of the day. Breakfast provides you with the energy and nutrients that lead to increased concentration in the classroom. Their growing bodies and developing brains need regular refuelling often, from food. When students skip breakfast, they don't get what they need to be at their best.

For the student’s health, it is highly important to eat breakfast before going to school, as it is not healthy for students to work on an empty stomach till recess.

Preparing a good breakfast can be as quick and easy as splashing some milk over cereal, or making oatmeal or a healthy smoothie.

DONATIONS NEEDED

Donations of cakes and slices are needed for the canteen to sell on our Careers Day, Thursday the 14th of August.

If anyone also has spare time available to help in the canteen on this day, it would be very much appreciated.

Please give Bec a call on 0457456707 if you are able to assist.
