THANK YOU

We would like to thank Toby’s Grandfather Mr Phil Swain for coming to speak to K/1 and 1/2/3 about ANZACS and his career in the Navy. The students all enjoyed his talk and learnt a lot.

A big thank you also goes to Kim McCullough and Marg Riddell for helping to cover all of the new books. Your help was very much appreciated.

A big thank you to Kathryn’s mum Bev and Toby’s Grandmother Mrs Glenda Swain for the help in 1/2/3 classroom with reading groups. The students really enjoy having you there and it is certainly helping to improve their reading skills.

We would also like to thank Chris Green from Manga High who came from Sydney to work with teachers and students on a new game based Mathematics program which can be used in both the classroom and at home.

Our last thank you goes to Kim McCullough for volunteering her time in the 4/5/6 classroom and working with groups of students during their Mathematics lesson.

Mrs McCullough is a trained High School Mathematics teacher and will also be working on Transition programs with Year 6 and with a Maths Extension group.

We understand that everyone’s time is precious and the teachers and students are very grateful for any time that parents are able to give at the school.

WELCOME TO JUMP ROPE FOR HEART 2015

The Heart Foundation Jump Rope for Heart is about teaching children how to keep fit and healthy.

Jump Rope for Heart is being conducted at school throughout Term 2, weeks 3-9. During this period, children are asked to collect donations in support of the Heart Foundation and will participate in various fun skipping activities at school during daily fitness.

At the end of the term on, Friday 19th June a special Jump Off event will be held at school to celebrate and demonstrate the skills learnt.

We encourage parents and caregivers to come along and help support the students on this special day. Funds raised are kindly asked to be returned back to school on or before Jump Off day.

Crystal Creek staff thank you for your support.
CROSS COUNTRY

On Monday 27th April we held the annual cross country championships.

Congratulations to all students for their fantastic display of courage and sportsmanship.

A huge thank you to all of the parents and grandparents who helped on the day.

Children aged 5, 6 and 7 ran a total of 500 metres, 8, 9 and 10 yr olds ran 2klms and 11 and 12 yr olds ran a total of 3klms.

An exceptional effort by all students. Congratulations to the following students who have successfully gained placement at District Cross Country next Friday 8th May.

MR DAVIS’ PUZZLES OF THE WEEK

1. Two fathers and two sons go fishing. Each of them catches one fish. So why do they bring home only three fish?
2. I add five to nine, and get two. The answer is correct, but how?
3. The ages of a father and son add up to 66. The father's age is the son's age reversed. How old could they be?
4. What weighs more - a kilogram of iron or a kilogram of feathers?

Answers

1. Because the fishing group comprises a grandfather, his son, and his son's son - hence just three people.
2. When it is 9am, add 5 hours to it and you will get 2pm.
3. There are three possible solutions for this: the father-son duo could be 51 and 15 years old, 42 and 24 years old or 60 and 06 years old.
4. Both would weigh the same - come on, a kilogram remains a kilogram, irrespective of the object!

P & C MOTHER'S DAY FUNDRAISER - TEA TOWEL PAINTING

Last year's Mother's Day project was such a success, that we'll be repeating it again for our annual Mother's Day Fundraiser.

The students will be hand painting a cotton tea towel, especially to gift their special carer, as a way to say thank you. These tea towels can be used for everyday use, or saved as the piece they will be! Perfect for framing or hanging in your home to show off the artist in your family!

Cost will be $5.50 per tea towel. The children will hand paint the tea towel in any patterns or design they choose. We use fabric paint, which means the tea towels can be washed in the machine. Maximum of 3 tea towels per child.

This will be run by parent helpers as a Fundraiser for our P&C. We would love extra helpers to come along on the day, if you can. Date to be confirmed. Money and Note must be in by the 28th April.

Please complete and return to the school with money by 28th April

KIDS IN THE KITCHEN (KIK)

A series of cooking lessons as part of the Kids in the Kitchen Cooking program is being run in the school in Term 2.

Tuesday 5th May, 19th May, 9th June and 16th June.

The recipes used in this program are based on a range of fruit and veg based recipes which are easy to prepare and suitable for all cooks - from beginners to experts.

We are aware that a small number of children are allergic to certain foods. Therefore it is important to let us know.

This year we will be putting the recipes of what the students cooked in KIK in the newsletter so that they can make it again at home for you if they want.

The cost is $10 per student.

Please sign and return the permission slip below, to allow your child to participate in the Kids in the Kitchen program and to indicate any food allergies if appropriate.

Students need to have note and money in to participate if you are unable to please speak to the office.
