**Principal's Report - Brad**

- **New Girls’ Toilet Block** – The new girls’ toilet block is finally in construction. The project will be a three month project. The new facility will include a hot shower. The hot shower facility will not only provide positive outcomes during school hours, but will also assist during out of school hours in events, such as camps and fireworks nights.
- **Teacher’ Accreditation** – All teachers will require accreditation to teach in any school. The Department has set stringent guidelines with regards to accreditation. This accreditation is important and encompasses many areas.
- **Music Teacher** – The introduction of music into the curriculum is going well with general feedback from students being noted as ‘happy and enjoying the sessions’. The music teacher is fitting into the structure well.
- **School Statistics** – Brad discussed recent statistical research into learning outcomes between private and public schooling systems. The research suggests that the level of education received remains similar between the two systems. Brad noted that Crystal Creek is doing well and above state average.

**President’s Report – Ellie**

- **Uniforms** – Melissa has now taken on the role of ordering uniforms. Track pants are now part of the purchase options at the school. Brad congratulated both Bec and Melissa for how well the uniform ordering is administered in the school.
- **Bunnings BBQ Fundraiser, 31 May 2015** - Bec advised that a volunteer roster for the day was attached to a recent newsletter and that it would be greatly appreciated if parents noted availability for the day and delivered the slip back to the office so the day can be organised.
- **Canteen Ideas Discussion** –
  - Ellie advised that the cooking demonstration to be undertaken by Jean is presently on hold.
  - Mishi noted that half of the required ice block preparation containers have now been purchased. The ice block preparation containers will aid in assisting the school to reduce product waste. Remainder containers will be purchased at a later date.
  - Sam indicated that the school canteen will re-commence this week, Friday, 8 May 2015.
  - Sarah suggested the option of including hot/warm chocolate drinks over the winter months. Sarah also requested parents to help consider ideas for canteen sales, Goodie Balls, etc. The idea being treats that are nutritious, able to be made in batches and long lasting, i.e., can be frozen and somehow packaged.
  - Bianca suggested that there is an opportunity for parents to take turns in making batches of treats on a roster type basis.
- **Blackboards** - Mishi noted that blackboards in the playground require repainting/maintenance.
- **Tree Planting Project** - Ellie discussed the Tree Planting Project designated for in front of the school to soften the look and provide shade.
