P&C MESSAGE

Our next P&C meeting is on Monday 7th Sept at 3pm in the library. All Welcome.

Please come along and share your ideas or listen into the news about our school. We are a friendly inclusive P&C and we welcome new members at any time.

Treasurer Role - We are seeking a treasurer for next year's committee. Sadly our current treasurer, Fiona, will be handing over this role at the end of the year, as Joe is heading to high school.

This is an easy role, with lots of support and assistance. Without a treasurer our P&C cannot continue to run - this means no fireworks night, no fundraising, no amazing donations and initiatives for our school.

Currently P&C are funding the fantastic music lessons each week, with Mr Marriott. As well as soon starting work on a new 'kids in the kitchen' kitchen!

These are valuable additions to our children's school, but we do need the help of our school community to continue with this work.

If you'd like any information about the treasurer role, please come along to our meeting on Monday, or chat with Fiona or Ellie in the playground.

Fiona is keen to help a new treasurer learn the role and we look forward to seeing you on Monday!

Thank you P&C Committee

A REMINDER TO PARENTS TO NOTIFY THE SCHOOL ABOUT YOUR CHILD’S HEALTH

We welcome information from parents about your child’s health, even if you are not requesting specific support from our school. Our school asks for medical information when you enrol your child. It is also important that you let us know if your child’s health care needs change or if a new health condition develops.

Information about allergies, medical conditions such as asthma and diabetes and other health care related issues (including prior conditions such as medical procedures in the last 12 months) should be provided to the school by parents.

Please provide this information in writing to the principal. This will greatly assist our school in planning to support your child’s health and wellbeing.

Please also remember to notify staff in the school office of any changes to your contact details or to the contact details of other people nominated as emergency contacts.

We appreciate your assistance in this regard and assure you that any information you provide the school will be stored securely and will only be used or disclosed in order to support your son or daughter’s health needs or as otherwise required by law.

The Dreams of One
by Alannah Graziano, Grade 8
Marryatville High School

I wish I was a galaxy,  
Shining in the distance  
I wish I were a planet,  
Never fading out of existence.
I wish I was the moon,  
When the sun is no more,  
I wish I was the sun,  
Which all the humans adore.
I wish I was a star,  
Dreading a supernova  
I wish I was an Alien,  
Laughing at the Mars Rover.
I wish I was Pluto,  
They never want it to disappear.  
I wish I was in space,
